The Delta Gymnastics Aspire Competitive Performance Program caters for gymnasts in Levels 5-10 who have the desire and ability to excel in Level 7-10 and/or the International arena. We offer Women's artistic gymnastics classes ranging from 12 to 24 hours per week in which we focus on mastering high level skills, exceptional strength & conditioning; excellent technique across all apparatus and an emphasis on goal setting and teamwork.

We foster positive training attitudes through living our core values; and with this comes a lifelong love of gymnastics. Gymnasts in this program learn to maximise performance on the competition floor and compete in both individual and team events at a Club, Regional, State & National level.

Athletes in the competitive Performance program are role models for all of our gymnasts at Delta and are equipped with the skills to be the best they can be – in the gym, at school and in future endeavours!

We are now conducting an Australia Wide Search for an enthusiastic, experienced WAG Advanced Silver coach to join our competitive performance team. Roles will be considered in either a full time or Part time role from October at our world class facility in Kedron, QLD.

Delta Gymnastics is committed to creating an environment where all children and young people are equal, respected, and safe from harm. We require all applicants to undergo an extensive screening process prior to appointment.

To discuss the above opportunity or to find out more about alternative roles please email Megan Mitchell – mmitchell@deltagym.com.au or call 0408 633 206. All roles will be considered in either a full time, part time or casual capacity depending on your own personal needs. Don't wait - apply now! We are looking for people who are excited to join a club that is always striving to improve. We have the structure, processes, people and facilities to make your coaching career amazing and extremely rewarding.

START WITH heart!

We walk in with our head held high & a smile on our face because we want to be here & believe in what we are doing.

Loving what we do makes the good times better and the tough times worth it.

FROM LITTLE THINGS, BIG THINGS grow!

We believe in making a difference step by step & helping people grow into the best they can be.

At the end of the day the real gold medal is the life skills we learn through working hard & improving a little bit each day.

ONE team!

We are part of something bigger than ourselves.

We care for one another & work together to make great happen.

It's a journey and no-one gets left behind.

DO WHAT'S BEST TO be our best!

We do what it takes to execute the routine with a dash of sass.

We know the steps, work hard & stick the landing.

IF YOU DON'T LEAP YOU WILL NEVER KNOW WHAT IT'S LIKE TO fly!

Gymnastics (& life) is having the strength to hold on & the courage to let go. We do what is scary to avoid what is dangerous.

It's not about perfection, it's about being a little bit stronger & a little more brave than yesterday; having the courage to set goals & the guts to achieve them.
