START WITH heart!

We walk in with our head held high & a smile on our face because we want to be here & believe in what we are doing.

Loving what we do makes the good times better and the tough times worth it.

FROM LITTLE THINGS, BIG THINGS grow!

We believe in making a difference step by step & helping people grow into the best they can be.

At the end of the day the real gold medal is the life skills we learn through working hard & improving a little bit each day.

ONE team!

We are part of something bigger than ourselves.

We care for one another & work together to make great happen.

It's a journey and no-one gets left behind.

DO WHAT'S BEST TO be our best!

We do what it takes to execute the routine with a dash of sass.

We know the steps, work hard & stick the landing.

IF YOU DON'T LEAP YOU WILL NEVER KNOW WHAT IT'S LIKE TO fly!

Gymnastics (& life) is having the strength to hold on & the courage to let go. We do what is scary to avoid what is dangerous.

It's not about perfection, it's about being a little bit stronger & a little more brave than yesterday; having the courage to set goals & the guts to achieve them.
