**OUR CORE Values**

**START WITH heart!**

We walk in with our head held high & a smile on our face because we want to be here & believe in what we are doing.

Loving what we do makes the good times better and the tough times worth it.

**FROM LITTLE THINGS, BIG THINGS grow!**

We believe in making a difference step by step & helping people grow into the best they can be.

At the end of the day the real gold medal is the life skills we learn through working hard & improving a little bit each day.

**ONE team!**

We are part of something bigger than ourselves.

We care for one another & work together to make great happen.

It's a journey and no-one gets left behind.

**DO WHAT'S BEST TO be our best!**

We do what it takes to execute the routine with a dash of sass.

We know the steps, work hard & stick the landing.

**IF YOU DON'T LEAP YOU WILL NEVER KNOW WHAT IT'S LIKE TO fly!**

Gymnastics (& life) is having the strength to hold on & the courage to let go. We do what is scary to avoid what is dangerous.

It's not about perfection, it's about being a little bit stronger & a little more brave than yesterday; having the courage to set goals & the guts to achieve them.
